The Premises:

Large basement flat on a quiet residential road. Great shower, large quiet bedroom. Lots of parking around if i had needed it, and close to several tube stations. Safe in the evenings.

The Lady:

Very tall, very beautiful - with almost platinum blonde long hair to her waist. Not sure if her height, legs, hair, lips or breasts were her most prominent physical feature. Whatever the answer, she looks great.

The Story:

The meet was carefully arranged via a series of text messages from Eve, and a time chosen which gave her enough time to get ready.

I arrived to find Eve quietly behind the door, beautifully made up and wearing clothes that probably appear somewhere in her photo galleries. Very sexy!

After a shower I asked for domination moving in to GFE, and she tied me spreadeagled over a large pillow on her bed before using some tools on me. But there was lots of laughter, lots of fun, and not much control: so we swiftly moved in to enjoying ourselves rather than domination.

After a great short BJ and sex i came and then we talked. Later I kicked myself for talking so much, as I missed the chance of more fun. But she's a fascinating woman, and a good laugh.
