### The Premises:

A new venue for the wonderful Kiss Kiss Massage. Behind Whitelys shopping centre. Entrance door is stiff ? give it a good pull. No pun intended. Inside? Needs more soft furnishings and mirrors ? but it's early days.

### The Lady:

The sort of girl you would see in a provincial night club and think ?phwoar?. Then hey presto - come to Kiss Kiss and she is delivered to you wearing next to nothing. Very cute. To quote the website - a ?sexy little minx?.

### The Story:

I am going to have to redefine my definition of excellence. This girl is extraordinary. Two day on and I'm still full of lust. Why? Simply, she does it like she means it. That's it. For me, she defines the ?GFE?. She is the best kisser. She is a wonderful, innovative shag. Then at the end ? after I come like an express train all over her breasts ? she lay on the bed in her knickers and chatted to me as I got dressed. This rather blew my mind. I genuinely nearly turned back and paid for seconds, which I never do. Cracking. So, if you see a bald man running along the Brompton Road on a Friday evening ? its me. Going to see Gemma. Keep out of my way.
