The Premises:

Basement flat in a quiet side street just off Lordship Lane. Easy free parking. Flat is very discrete and secure. Bedroom at front is clean, spacious and fit for purpose.

The Lady:

This flat specialises in the more mature woman. Carla was said to be in her late thirties, but was in exceptionally good nick for her age! Tall and slim, with lovely natural 36D breasts and a neat but curvaceous bottom. Raven black hair and another neatly trimmed raven black landing strip down below. Nice perky nipples and succulent lips down below. Pleasant and friendly nature. A very pleasing package!

The Story:

A pleasant but not inspiring session. We started with foreplay but there was no kissing or finger insertion allowed. I was allowed to probe around her clit and lips and she was getting nicely moist.

We then had sex in two positions, finishing off in doggy. Her pussy was a little dry and difficult to enter at first. I came considerably quicker than usual, probably because I did not feel fully at ease with her.

It may have been that this was because Carla was my fourth choice for a punt today, the others being unavailable.

However, I wholeheartedly recommend Carla and I may return another day.
