The Premises:

Veronicas flat is one i have been to many times to punt with various women. Its clean and tidy in a safe area. If driving the parking may prove difficult.

The Lady:

Veronica is Polish, Blond, 22, size 10, attractive with a fit body. She told me she is a keen swimmer and indeed has shoulders of a swimmer. Because of this Veronica may look a bit masculine for some.

The Story:

I had punted with Veronica before, so knew she offered what she said she does. We started with exceptionally passionate DFK. Veronica loves kissing and she is very good at it, keeping excellent eye contact, always important to me throughout. Without doubt one of the best kissers i have punted with. Moved on to OWO, RO, SEX in various positions and finished with CIM. This lady has a great attitude and i have found her to be a lovely person. She is very fit as well and i highly rate her. The best EE girl i have punted with, even better for me than her flatmate Ann who i also highly rate and have done an FR on. I shall return.
