The Premises:

First visit to Intimate- or is it "Inmate Massage" as its right next to Bedford prison? Easy to find, 2 door entry was anonymous even though next to a busy Indian restaurant. The girl'd booked had apparantly just taken an extended time from the last punter and so I was shown a couple of alternative ladies.

The Lady:

I was not disapointed. Jennifer and Sophie came into the lounge one after the other and said hello, then the owner came back and asked if I liked either. I found myself saying "I'd love to see Jennifer please?" like a salivating idiot- she was horny as hell. Its a subjective thing, but for me she is 10/10 for looks and body.

Naturally dark haired, olive skinned beauty. Just as the photos and her face doesn't disappoint when you meet her. Her little voice was really sexy- a mix of eastern european (Czech) and english.

The Story:

In the room Jennifer was, without doubt, the most accomodating wg I've ever seen. I got the impression that the parlour had stayed open late on the Friday night just for me. Jennifer was completely relaxed and focussed on my enjoyment. There was no time pressure at all.

My hands were cold from being outside and when I apologised she grabbed them and thrust them round her cute little arse. I knew at this point it would be a great punt.

Sex was amazing- OWO was real deepthroat. Reverse cowgirl on the chair next to the bed- such a great arse. My favourite was doggy with her smiling back at me in the mirror. She gave me OWO and HR till I came all over her boobs.

A great end to a stressful week. Rarely would I say this, but she's on my list to visit again. Highly reccomended lads.
