The Story:

as soon as the fee was paid she had her greedy tongue down my throat! fantastic big tits and ass! spent ages eating her juicy wet partially shaved pierced pussy, which she loudly appreciated! fucked her in lots of positions! this was just like fucking a rampant girlfriend! one of my best ever punts! had a good chat later, said she's very bi and luvs servicing couples! also said she can arrange for a man or womann to join in for a threesome, all in a very sexy husky nz accent! I left feeling drained and very satisfied!
