### The Premises:

Well known and great. The wonderful coffee came into the room with Susie this time but still tasted fine when drunk after the event.

### The Lady:

Very cute and friendly. Unlike another reviewer I do think the photos show Susie accurately. I think she was even wearing one of the lingerie sets in the pics. She has a lovely trim body and soft breasts and her face is lit up by her ready smile.

### The Story:

I went to see Sky and ended up in heaven.

Sky wasn't available but I was happy to see Susie from her photos.

That big smile as a girl enters the room works wonders and Susie was just as smiley and positive in her attitude right through.

Kissing was a big part of the time from the word go and she speaks and understands English very well so her personality came through.

Usual sort of routine but nothing I suggested or did was resisted and I like to think we both left the room in excellent spirits.

A lovely girl.
