### The Premises:

Hotel near Tottenham Court. Nice and clean but then have learnt to expect that from Maxes.

### The Lady:

Rachel is hot. She is tall with enough of meat on er. She is much better looking than her pics. She is busty and has lovely thighs. I used to be a Lizzie fan at Maxes and have been looking for a replacement for her. It is tough to match Lizzie's beauty, I know, but Rachel came pretty close

### The Story:

We started with kissing and feeling each other up and though Rach is a good kisser she did not match up to Lizzie.

We got naked and soon Rach had my cock in her mouth. Rach sucks well but Lizzie used to be awesome. Rach made me hump her face and watch in the huge mirror. It was a lovely sight seeing my black cock in her lovely white mouth. The sucking then continued in several positions ending with me coming all over her face. Rachel got everything into her mouth and played with it. She could not swallow as it was just too much. A bit of relaxation and I moved onto the pussy. She has a nice pussy with a very predominant clit. I put all my attention onto her and after quite a bit of licking she had an orgasm that almost got the entire room down. We were obviously now ready to fuck and fuck we did. We fucked with her on top then her reverse cow girl and then doggy for about fifteen mins ending with a good orgasm with her legs in my hands and my tongue in her mouth. After this something happened that will make me think twice before visiting Rach again. She thought that my time was up and I had to explain that I had booked for two hours from 7:30 and not seven so I still had thirty mins to go. Rach was now interested in her next booking and it took her sometime to realise that she didn't have one. She did get her attention back to me and we had another session with me coming in her mouth. What I didn't like is that when you pay as much as this there is no scope for the girl to make mistakes

This would have never happened with Lizzie
