The Premises:

Basement flat in quiet location. Spacious bedroom and functional bathroom. Very pleasantly decorated, quiet and discreet.

The Lady:

Small, petite girl. Early 20s, blond hair and a vey fit body. Dressed in heels and underwear on arrival, she looked fantastic. Very friendly and unassuming.

The Story:

After sorting out the business, took a quick shower and then got straight down to some very sensual kissing. Not long before she was going down on me - and what a fantastic technique ! No way I was going to hold on for long and came powerfully in her mouth whilst she kept up her excellent work and, "as it says on the tin" , swallowed the lot.

It didn't take long before we were back at it again and this time I returned the favour. She was vey vocal and got very wet, so hopefully she was enjoying herself as much as me ! On her hands and knees, she then took me in her mouth again and, although I was desperate to get inside her, I just couldn't drag myself away. Not long before she had me coming again to another powerful climax and, once again, she swalloed the lot.

A lovely girl and one I hope to see again very soon. Thanks, Sara, for a fantastic time !
