The Premises:

Fine. In a block of Bayswater flats- you know the type. Room has just been decorated green- but it is "too dark" according to Lucy.

The Lady:

Exudes sexiness. A photo will not convey this sort of sexual energy!

Photos have been airbrushed a bit, but then they don't show the aforementioned sexual magnetism she has, or her delicious big bubble butt. Her breasts are surprisingly full considering she's quoted as a b-cup.

The Story:

My second visit. The first had, frankly and without hyperbole, been the greatest sex I've ever had. But not anymore- it was demoted to 2nd place by my second encounter- wowie! My problem is all future sexual encounters will now seem mundane in comparison. I know that the two of us have GREAT sexual chemistry, so that will explain much of it, but I defy anybody not to have a great, fun time with this firecracker. Especially if you like sensual, passionate-loving latino types- smouldering with sexual energy and with all the curves to back it up.

I can't tell you all the details (I really mean it: I CAN'T!) She doesn't do A-level and I didn't check about CIM but

go to see Lucy with an open mind and a bit of fire in your belly and things should be interesting!

Note: Lucy also works through the site that can't be mentioned for a smaller fee under the name "Lorena".
