The Premises:

Tidy small flat above businesses in Shenfield main street near to Station. Easy parking nearby in Pay & Display and last directions given by maid who watches you from window.

The Lady:

Attractive Thai girl (Age unknown) with a nice body and an easy smile

The Story:

Ushered in by maid who looked like she would do a good turn if the main event was delayed and shown to a clean bedroom and offered a drink.

I was expecting a choice of two ladies and Celia was not the one that I would have chosen from the web site pictures but I am very glad that she was available and working that day.

Was offered and accepted a massage and this was given with enthusiasm but in the end I was impatient and turned over to get my hands on the goodies.

Celia immediately performed a very vigorous covered BJ but when asked eased up and went slower. From there it was on to all the usual fun things one does whilst making smiles and it all went off very well indeed.

She seemed to genuinely appreciate my meagre efforts in return and after all was finished she then cleaned me up well and helped me to dress and tied my laces before kissing me goodbye and asking to ?see (me) again soon.

I left and am definitely up for a follow up session.
