The Premises:

I haven't been to Hayley's for a good few years. It seems to be nicer inside than I remember, so must have undergone a refurb. The entrance is fairly discreet, although a little exposed.

The Lady:

All 3 girls were available and I had a tough choice between Amy and Porsha ? both very different. I decided to go for Amy, as I'd originally tried to book Foxy at Sandy's and fancied a slim, blond girl. Amy has worked at a few parlours around Manchester and as mentioned is a petite blond with a fairly relaxed manner.

The Story:

Quite a good punt. Amy gives a really good blow job (without). At first I thought it was going to be a little light for my tastes, but she soon started to work up a head of steam, with the BJ getting wetter and sloppier with Amy making good use of her hands around my balls. There was a little FK, but not really enough for my liking.

We moved on to reverse O, which was a little short with access being a little limited, although Amy was very clean and fresh. She did make a good attempt and pretending to come and I made a good attempt at pretending to believe her.

It was then on to the main event, starting with her on top, then flipped over for a spot of doggy. We finished with a nice HJ to finish.

Nice girl who I would recommend as she knows her stuff and how to please a man, but probably wouldn't see again.
