### The Premises:

the location was a detached house in a discreet location. full details were given by phone. On arrival I was greeted at the door by a male calling himself 'rachels friend' he was polite & friendly & made me feel more relaxed. I arrived about 1925, at that time there was about 6 guys already there. the 'party room' was the living room of the house which had excellent mood lighting. a duvet was in the middle of the floor. the location was very clean. refreshments were also provided

### The Lady:

rachel is about 5'4 / 5'5 very pretty with a very slim athletic body, her most striking feature is her perfect tits!!!!

### The Story:

rachel positioned herself on the duvet in the middle of the floor, she chatted with all of us and told us she was looking forward to receiving a lot of cum. then she encouraged us to get started, there was 7 or 8 guys who quickly surrounded her, within seconds she had a guys cock in her mouth & was wanking 2 others. I then looked down to see a guy licking her pussy. i took know time in groping her perfect tits whilst waiting my time. the 1st guy then came mostly in her mouth, she then came straight on to my ready cock, her technic was perfect & she really seemed to be enjoying (not as much as me i guess!)it didnt take long for me to shoot in to her mouth as well. after each guy came she cleaned each cock with her tongue. there was a short break whilst rachel 'freshend up' for the second half rachel told us she wanted us all to cum in her mouth & she would swallow it all. some of the guys obliged & she kept her word!! we were all encouraged to participate as much as we wanted without pressure. excellent party by a stunning dirty girl
