The Premises:

About 5 mins walk from Bayswater Station, easy to find.
Flat was clean, tidy, and nothing special - fit for purpose.

The Lady:

Katie looks just like the photos. She's quite tall, which you can tell by the photos, she wore minimal makeup and looked great.

The Story:

Katie is a really nice girl, her pictures convey her looks but they dont show how relaxed and sweet she really is.

Katie met me with a kiss, she was a little reserved at first, which is understandable since we have never previously met, but we spent about 5-10 mins talking and we seem to really get along.

After talking for some time, she proceeded to strip me, I have experienced some escorts, which take advantage of this and try to talk an hour and boot you out (ok thats a bit exagerrated but you know).

Anyway, she knew I didn't come just to talk and she played her role nicely. She's very GFE and not PSE, she soft and sweet and the session felt very much like love-making rather than anything else.

I was a bit shy as she was such a nice person, sometimes if the escort is a bit mad, you lose your inhibitions and go a bit mad yourself. But on this occassion, the session was so nice, so sweet and felt very natural. The best way to describe it is sleeping with a friend you've known for a long time totally sober. Its like you have feelings for each other and you both want to do it, but not in a mad way.

Ok banging on a bit, sorry, but french kissing was good and OWO was good. She let me do CIM

which was great. But that left me feeling a bit guilty, but she kept a smile.

I think she's great for a lonely old man like me.
