The Premises:

She had rented a hotel room in Mayfair. Very swish. Very discreet.

The Lady:

early/mid-20s English girl. Mixed race background. Home counties accent. Tall, curvy (not a BBW though). Huge natural breasts. Just like her pics on Craigslist or AnotherWeb site. WYSIWYG.

The Story:

Tinkabelle (a silly/quirky made up name) is as real as they come. Fairly new to the business, she had attracted some attention on this site in the forum but her very positive feedback on AnotherWeb site and the fact that she is physically Right Up My Alley resulted in me making a booking. We spoke on the phone and she sounded smart and fun. Made my way a few days later to the room she had rented. She is as she is. Wearing very little. Great figure. Great conversation. Great sex. Everything goes with this girl. Voracious. OWO, CIM, Swallow, Rimming, Anal, strap-on. She claims to do role-play and I would believe it. Totally natural and entertaining. You should ignore the 'in your face' profile and CL ads if they put you off. She is very nice in person and has no attitude at all. Like the wonderful Dollymopp, this lady really likes what she does with guys and I would highly recommend her.
