The Story:

Celeste greeted me at the door wearing a very nice red dress the same one she is wearing on her website (first page). She put my worries at ease very quickly she made me a cup of tea and we chatted and kissed for 5 to 10 mins. then through to the bedroom. Celeste said I could put all the details on here but I won't go into that much detail.

Celeste asked me what I liked and what I didn't like we spoke about tie and tease but I'd never done anything like that before. I decided to have a go at that. she made it very clear that I could stop at anytime

I was tied to the bed both feet and my left arm and also blind folded. then she started on me.

If you want to know what happens next go see her. It was by far the best punt I'd ever had.

It was supposed to be a 1 hour booking but after 1 hour I was still tied to the bed. Celeste did not clock watch at all.

After we had finished I took a shower and another drink we still chatted for about 15 mins before I left.

and by the way anyone who loves big BOOBS you need to go see Celeste they are amazing.

Thanks Celeste till next time, stay Horny XXX
