The Premises:

Large block of flats - converted office block. Secure entry to the building. Safe enough middle of the day. On street pay and display parking is expensive, but as I travelled to brum on the train, I didn't care. (10 mins walk from New St) Flat itself was modern, and clean, but Ali had only just moved in so will probably get some tarting up over the coming months.

The Lady:

about 5 and 1/2 feet, hair 2 tone blonde and dark. She was wearing jeans and a top. When they came off she had a lovely peachy arse and nice boobs - they felt natural.

Ali has a slight west mids accent, but in conversation was told she came from Solihull.

The Story:

Just did usual GFE stuff - Oral with, 69 kissing then cowgirl. A short break (I was offered a drink - had water) then on to round 2 mish.

Ali seemed to enjoy the activities - I certainly did.

The bit I will remember as the highlight will be holding her peachy bum while she rode me cowgirl.
