The Premises:

A discrete flat in an off-the-road development close to Acton Town tube station. Very safe even late at night. Anita's flat is large and comfortable and always spotlessly clean and tidy.

The Lady:

Anita is not a stick insect - she is a full figured woman, warm and cuddly, and her dark skin is soft and silky all over. British born, of Carribean origin, dress size 14, and to my eyes just absolutely gorgeous.

The Story:

West London's best-kept secret is out! Anita is a highly-skilled fully-trained masseuse who offers a fantastic full service GFE at a very reasonable price. I have been seeing Anita for several months and our time together has always been very enjoyable and deeply personal. Suffice to say she enjoys almost everything except anal (and a gentleman will respect her boundaries) and she especially enjoys doggie and oral, both giving and receiving. Anita is not a clock-watcher or a money-grubber - she is an astute businesswoman and the service she provides is better than many at twice the price. However, she is also a warm, caring and considerate person - a great conversationalist - and refreshingly honest about her work. She is a relaxed and happy person and that makes it easy to be relaxed and happy and comfortable in her company as well. I wish I could keep her for myself - but sadly I must share her with you lot out there! Treat Anita as you would like to be treated - respect her for the treasure that she is - and she will reward you with the experience of a lifetime. For myself, now that I've found her, there's no reason to go anywhere else.
