The Premises:

Modern four-star hotel, close to Tottenham Court Road. Sufficiently large and impersonal to avoid problems. Nice room.

The Lady:

Tall, blond, with excellent figure and great personality. She greeted me wearing sexy black dress (see pic on website), fishnet hold-ups and high heels.

The Story:

I hadn't met Rachel before, but she was one of the Angels I had down on my mental 'must see' list, so when I called Max's late one evening and found she was available, I didn't need to refer to the website, but booked her on the spot.

When Rachel opened the door of her room to me and I saw her for the first time, I was not disappointed. She's a little taller than me when she's wearing heels - does that rule out a future dinner date? I'm never entirely happy with a girl who appears taller than me, even if she doesn't tower above me like Bernie Ecclestone's wife does above him. It's something I must think about, and possibly discuss with Rachel.

Saying that I was not disappointed is an understatement. She's a wonderful girl in every possible way, and although it was late, and I was fairly tired, I had a wonderful time with her. It was not long before I found that under the dress, apart from the fishnets and heels, she was naked. This is something that I always love to discover - it makes for easy access and sends out a wonderful signal of availability.

We kissed and cuddled, and she showed me her beautiful pussy. We drank some wine, and it was not long before we were on the bed. We tried most things - nothing too extreme or too frantic - and we both came 'once' twice together. We drank some more wine and we chatted. I felt her to be, like so many I have met in her business, a thoroughly nice person. One I shall definitely see again.

Rachel many thanks. I came away from you feeling I had met a friend. I look forward to meeting you again soon. That evening, you were my perfect Angel!
