The Premises:

The Studio has moved about a bit, but Principal Shannon has now moved The Studio back to "The Cottage", just round the corner from Blue Ice. Very discreet, and easy, cheap, on-street parking just outside. Well turned-out premises - even though the move is not yet complete. Mind you, the bed creaked rather loudly!

The Lady:

I've known Shannon since her Blue Ice days, about 10 years ago, and she's been well-reported here, where the word "statuesque" has been -most appropriately - oft-used to describe her. She's tall, with long legs, long blonde hair and a good-featured face; and I reckon that she's fitter now than before. For sure, her tits have filled out a bit - and that's more to my taste. She's lovely to talk to, great company, and she tells me that she has brought together a stable of mainly new WGs, based on recommendations from punters.

Jessica is one of them: about size 12, cuddly and with shortish, softly-spiked blonde hair. Like Shannon, she wore stockings and highs.

The Story:

We did all the usual 2-girl things, incl. DFK, OWO and shagging in various positions and combinations, finally cumming inside Jessica.

Incidentally, this was another example of the price-consciousness of the industry. I noted this in my last FR, and Shannon tells me that she has felt the need to be price-competitive in these times of economic downturn: she's now charging the same for a 2G as Blue Ice close by.

This competition is going to be good. Highly recommended!
