The Premises:

Top floor of a house above shops close to Lancaster Gate tube. Not luxurious. She has many pets!

The Lady:

Massive breasts HH cup, about 5' 3", Estonian. Her current photos look quite recent. Big green tattoo below her navel.

The Story:

Oh dear! I should have read the 'Cheap-and-chic' reviews on PN before deciding to visit as now I'd read them and it's all there. She does not kiss or owo. Very lacking in desire to connect in any way.

I would however recommend if checking out those massive boobs is what you want. If you adjust your expectations to enjoy it as a 'personally' enjoyable experience you might come away satisfied (as opposed to a mutually enjoyable experience).

After round one in mish she started to put her clothes back on. I asked how much longer I had she said 20 mins and then 30 mins seeing my surprise. Actually we were only into 15 mins of my 1 hour! I did round two with Donna on top and mish and left early.

Pity, as she has lovely large and heavy breasts (reminiscent of Hayley of Edinburgh). But she doesn't know how to share them with a breast lover. Somehow, I don't think the time of day was a factor.
