### The Premises:

the place was clean and the staff were very nice. the room was large and had a bath/jaccuci - which was a nice touch.

4 girls were working of which two were great and the other two for my taste were less so.

the access was good - plenty of parking - even though the entrance is next to a curry house and across the road from a mini cab place - not so discrete but safe

### The Lady:

the photos that are now on the web look genuine. she is a sexy young russian girl with a great body and lovely tits. pretty face with a warm smile. a stunner.

### The Story:

it was her first day at this place but has worked in other places. no doubt she knows what to do to please a man. gives a great GFE. treated me well and made me feel special for the period i was with her. unhurried service. good chat and appeared interested.

nice kisser but dosnt like DFK much. good oral and seemed to enjoy the sex. would not do CIM and would not do A.

i will be back!!
