Details of Service Provider:

Website: <http://www.ebonyrenee.com/>

The Premises:

nice safe block and room okay. parking a bit of a pain.

The Lady:

bit tall busty black lady - exactly what i wanted and was expecting.

The Story:

i am not gonna go into huge detail. bit dissapointed, not good owo and a bit passionless - needs to put it on a bit more. hate saying this but questionable personal hygiene too. as usual states gfe but another one who doesnt really kiss properly and thats the very least what a gfe is. absolutely great tits though.

Service Provider's Rebuttal

Renee writes:

I have only just seen this report because a client I saw today told me about it, however he said to me he booked me anyway as I have such good reviews and this was the only negative one stating I do not kiss when the other field reports stated I do kiss..BINGO....I do kiss when clients are clean. And I laugh at the hygiene comment If that was the case anyone would have just left,funny how you stayed and to be honest before you talk about someone elses hygiene I think you should sniff yourself first. Anyway the funny thing is this comment was left in April...today is December...a decline in business?? Not at all. I guess that's how smelly I am....ha ha ha GOT TO LAUGH!
