The Premises:

Very discreet location, no problem parking (her driveway) and lots of trees to keep out any prying eyes. Very comfortable family home - very welcoming after a long drive.

The Lady:

Jan is a tall, slim, gorgeous, mature lady (mid 40s) who obviously looks after herself and is in great shape. Website photos are accurate. Greeted me in a slinky short black dress that didn't stay on for long, revealing a lacy basque and stockings. The best bit was no panties - as she said they never stay on for long anyway!

The Story:

I believe it has all be written before about this lady but I can only write to confirm that it is all true. Great passionate snog as soon as I walked in the door, then led upstairs (great view of her bottom) to be bedroom where she sucked me for all she was worth. In the end I finished by wanking into her mouth twice, both loads swallowed with gusto as she looked me straight in the eye. This lady obviously enjoys the taste of sperm! Very friendly and easy to talk to in between the raunchy stuff. All in all a fantastic experience - thanks Jan, I will be back.
