The Premises:

Outcall to my apartment arrived 30 minutes late.

The Lady:

The so called Kira arrived 30 mins late at 1pm. I was a bit surprised at the physical appearance was nothing like the photos of the girl. Sweet lady early 30s in my opinion and looked quite the veteran.

.

The Story:

The girl was polite and nice plus I was quite eager so did not tell her to leave and she helped matters along by taking the lead quite strongly. I will not give the name of the actual lady on the 90 minute website as it was not her fault.

After we wrapped the 1st round I had no inclination for the 2nd as I was not very attracted to the girl despite her good performance between the sheets. I then opened the website and asked the lady if she was indeed Kira as she looked so different - the girl was honest and said no she was not as the agency had asked her to switch for Kira. I requested the lady to leave early as I did not want to engage in pointless banter as she did not turn me on for my usual 2nd round. The agency never informed me prior to the appointment of the switch. I tried to reach 90 minutes after my 1st round but the agency did not answer my calls as they probably understood it was too register my displeasure at their trickery.

Very unprofessional agency and I would recommend you stay away from this sort of establishment that engages in bait and switch. Though I have not posted many reports on punternet I am frequently on the site and am a seasoned punter. Will never use this agency again and I request punters to beware of 90 minutes.
