The Premises:

A nice very place on Palace Gate, Kensington, clean and plenty of parking around the area, it was sunday so it was free!

The Lady:

I was greeted by a lovely petit looking girl in just her lingerie, she looks just like the photo's probably even better. She's about 5.5" tall and has nice small firm tits and is from the Ukraine (thats what she told me)

The Story:

She asked if i'd like a glass of wine or glass of coke, shame i was driving as i would have had the wine. i got the cash out of the way and then straight to business. She started to undress me whilst on the sofa and then went down on giving me a brilliant BBBJ after 15mins of that we went in the bedroom where she got undressed and continued from where she left off, then i went down on her licking and playing with her shaved tight pussy, we switched to 69 for another 10mins and her on top riding me like a horse for 10mins and then me on top for 10mins until i finished. It was a great hour and money well spent. i had seen her on other sites for ?250 and ?200 so it was a good punt for ?150 i'd say.
