The Premises:

A very nice, clean, well presented apartment with modern decore and furniture. It is in a lovely warm feeling area that is quiet and discreet, that made me feel completely at ease.

The Lady:

Whilst the website is completely accurate and i was enticed by the pictures on it, truely they do not do her justice. I was blown away by just how beautiful she is. She has a girl next door look, pretty and warm with a hint of mischief. She has a slender yet curvacious figure with incredible large natural boobs and wonderful soft skin. Her curves are almost unervingly joyous and inviting. She smells fanastic and I felt lost and powerless to her charms.

The Story:

Whilst modesty would usually forbid me to go into detail I guess it would help if I did. After a fun chat over coffee we went to the bedroom where I was undressed and treated to the best OWO i've ever had. I eagerly returned the favour where she climaxed. We then moved to sex where i was ridden within an inch of my life cow girl style, where she climaxed again. This was followed by more OWO and hand relief, where i came into her mouth and over her breasts. There was kissing and cuddling throughout. The whole experience felt completely natural. I have totally fallen for her and find myself thinking about her a lot, which eases my dreary days along, as i think on to my next visit. I have been to many parlours & places and with many women, but none of them compare or even come close. She is truely a work of art.
