The Premises:

Smart apartment close to a very busy road, felt completely safe. Inside was clean and tidy.

The Lady:

Slim young blonde. Her English was more than good, surely more that I needed. She was sexy and funny she has a cute petite body with a nice pair of legs. She has a sincere nature that I really liked a lot.

The Story:

She started with some very slow and very very sensual OWO, it is always nice to see a girls that knows how to do a blow-job. Slow and deep. Paying attention, giving me a great pleasure, without rush. Sex was in many positions, the best was doggy with Kira moaning and her petite body responsive under my touch. I came while we were French kissing. Usually I like to sat a bit longer and enjoy at least two pops but this time I felt good just like that, she was extremely nice, it felt natural to finish like that. This was a really good one. I must recommend her to anyone looking for a sweet GFE.
