Easy to find, small but flat with entryphone. In busy area but felt quite safe. You can have a shower before and after your appointment.

The Lady:

Patricia is a very attractive slim, busty blonde with short hair in her early 50s. She has very sexy, large breasts and was dressed in black stockings, heels and a black negligee when she greeted me. She's been escorting for a while and is very experienced and looks younger than her years. She's also very kind and caring Delightful

The Story:

We started off with the different options. Prices start around ?40 and go up to ?125 for massage with full personal with lots of kissing and cuddling. I opted for the ?100 for massage and full personal with kissing. Patricia does a great body to body massage with her hands and boobs. After that we kissed passionately, she's a great kisser and I was hard very quickly. I went down on her and she gave me covered oral which was out of this world. She loved receiving oral and gave several encouraging moans before we began making love and coming together. There was no clock watching and an offer of "Would you like to come again?". Highly recommended, especially to guys over 40. See you soon, Patricia.
