The Premises:

Flat at the end of a cul-de-sac in a not bad area of the city. Nice enough flat and the bedroom was all clean and tidy. Felt perfectly safe in the area, though it was a bit of a way from the City Centre, so the taxi cost a lot more than I thought it would.

The Lady:

Actually approaching her forties, but her body doesn't say that at all. Nice small breasts, very even teeth and lovely soft skin. Great personality.

The Story:

Her site offers the best blowjob ever AND IT'S TRUE. You really have to experience it to believe how good an OWO this lady gives.

The massage and sex were good too; lovely kissing for no extra IIRC.

?30 for 15 mins is something I've only found Roxanne to offer, and it's really a great deal, as I often come halfway through a half hour session only to be ushered out the door by the girl to make way for the next potential customer.
