The Story:

What a great punt! Second time I have seen Emily who had chosen a skimpy red outfit in my red as requested After a short back massage Emily told me to turn over and proceeded to tease my balls and by now erect cock with her fingers before taking my cock in her mouth and performing the best oral I have ever received I then decided she deserved some attention and proceeded to lick and suck her nipples and tits before going down on that gorgeous cunt which was by now soaking wet Emily certainly enjoyed this and at her request I then fucked her doggy style As she had been so naughty I finished up by giving her a good spanking much appreciated by Emily I enjoyed so much agreed a date for a repeat performance before I left This lady is real dynamite and is highly recommended
