The Lady:

Eva is 32, 5ft 4in, Ukranian, good English, intelligent, well spoken. Black hair. Firm mature rounded body, large thighs, good hips and large firm breasts. Have seen her in Scorpio many times, but never met up with her - till now. Well worth the wait. Eva smiles readily, and engages in conversation.

The Story:

Eva doesn't hang about. Once in the cabin, she peeled off and got to work on my cock right away, with pleasant of gorgeous kissing. I lay under her initially, sucking and licking her nipples. Then she gave plenty of oral (covered at my request), sucking for Scotland. Without so much as by-your-leave, she mounted me reverse cowgirl, and rode herself to a climax.

I turned her round, and in standard cowgirl, we resumed. Then mish, and a position that I recently discovered and can't name - but she enjoyed that, her bonnie big breisties fair lolloping back and forth as I hammered her. Then doggie over the side of the bed, she coming again. Finally finished standard doggie, me enjoying the splendid sight in the mirror of of her breasts bouncing away, and to my great joy, we both climaxed together.

What a girl, what a lovely girl. Great time. She's a gorgeous lady. I'll be back for more.
