The Premises:

Annabelles is easy to find and is situated right by a public car park so parking good and you feel safe going to it.

The room was large and well appointed with the use of a shower should you need it.

The Lady:

Chloe is a curvy size 12 with nice pert C cup breasts. She has one nipple pierced and her navel and no tatoo's which I feel is just how I like my women ;o).

She is tall (5'8") and with me being 6'3" again suits me.

A very well proportioned lady with a smile to die for.

The Story:

I was very nervous being my first Independant punt and I had booked Chloe through her new website. Chloe soon had me calmed down with some very deep french kissing and we started to get undressed.

Chloe made the whole experience extremely enjoyable and considering my nerves gave me everything I needed to perform to my best on the day. I have to say that she has a mouth that could harden steel but then go visit and get the best OWO you will ever have.

Although this was my first Indi punt I am a convert and will be seeing Chloe again very soon.

If you want to know what a great punt is then see Chloe.
