The Lady:

What a stunner - she really IS lovely. Genuine 21yo slim with shoulder length dark hair. Ex-lapdancer (Diamond Dolls - I think I might actually have seen her there but not certain) slim & very fit, gorgeous figure.

The Story:

When I phoned Destiny to confirm I was on my way I asked her if she would wear school uniform. Good decision as she looked great when she answered the door dressed that way. I asked if she would start with a lapdance. She was reluctant as she was not set up with any music (my fault for not giving her warning) but agreed to do a short one anyway.

Next was the traditional back massage - I enjoyed having her sitting straddling my legs even more than the massage - then on to bbbj with Destiny still in her uniform. A sensational experience, even better when she presented me with her peachy bum so I could pull her panties aside and get to work on her delicious pussy. I had to stop this though as I was in imminent danger of coming and I'm strictly a come-once operator these days.

So I then had the pleasure of watching Destiny undressing so she could lie back and enjoy some protracted cunnilingual treatment - my favourite way to spend time with such a lovely lady.

Eventually she had had enough and we changed places so she could use her very accomplished oral and manual skills to bring me to climax. No CIM (slight disappointment but not pre-agreed and didn't spoil the experience).

In summary, this was one of my all-time favourite punts. I wish I had discovered Destiny earlier and I can't understand why she has no FRs on Punternet. Her feedback (on the unnameable site) is substantial and positive and..... wait for it.... she is one of a select few WGs that I would - no, WILL - go back and see again. Next time, I'll ask if I can get a proper lapdance and fuck her as well. Lovely!
