### The Premises:

Budget hotel, usual fare.

### The Lady:

Slim, well toned with dark hair. Nice breasts and very fit.

### The Story:

Knew from the moment we spoke on the phone that she was a nice, down to earth girl with great chat. Put me straight at ease on arrival. Had a good chat about life on the bed before stripping off and having a cuddle. DFK followed kissing her gorgeous breasts and then working down to give her some oral. After a while she returned the favour before moving on to the main event. Several positions followed during an enjoyable shag after which the hour was up and we kissed and she left.

Highly recommended!
