### The Premises:

Luxuriously furnished flat above a shop on a main road. The entrance is via a very exposed wrought iron stairway to the rear, in full view of an old peoples home, I'm sure the residents know what is going on!

### The Lady:

Curvaceous honey skinned Turkish girl in her mid twenties. Beautiful fair hair and a radiant and mischievous smile - a winning combination.

### The Story:

As is usual here two girls were working. Today it was Sema and Louisa, and although on paper I really wanted to see Louisa she was busy and so after waiting for about ten minutes in the lounge with Sema and the maid, Sema's, lovely attitude and smile, despite me having come to see Louisa, won me over and I went upstairs with Sema.....

Well, I was certainly not disappointed. Sema was a total sex-kitten immersing us in a sea of eroticism. Absolutely no rush, plenty of foreplay and mutual stimulation.

Once I suggested she put the English Overcoat on Percy she climbed aboard and rode me in cowgirl, crouching on the soles of her feet and rising up on her haunches - well it's cheaper than a gym subscription. Although I would normally have changed to at least a second position I was enjoying it so much I let her pump away pushing Percy up to meet her and came to a very satisfying climax.

Highly Recommended.

On the way out I was introduced to Louisa - I will definitely be going out of my way to see her too!
