### The Premises:

Top floor so long walk up her place. You better be fit. Safe enough location and the usual block in Paddington. She share with Jordan, 2 rooms, very small, no mirror, living room is a mess and worst of all was the bathroom. Wet floor you cant even step into and very dirty.

### The Lady:

Must say she has good body but no where near 5.7' more like 5.2'. Same as photos on web site but she is darker. Still attractive enough but thats it.

### The Story:

She was nice enough when I arrive and ask me if i wanted a drink. Drink accepted and present sorted. Move into bedroom and it went down hill from there. She doesnt speak a word of English so communication was real problem. No fk, no owo and when I try to kiss her she keep saying sensitive dont do this and dont do that. Wasted 15 mins trying to get her to do cover O. Finally got her to lay there and ready for action but its like shagging a dead fish. She said she hated her job and man, and only here for 2 more weeks to earn some cash. Stay away from this one guys. I told her she is in the wrong job and should go home. Her flatmate Jordan keep walking in and out of the flat. Look to me another with bad attitude problem and look nothing like the web site photos.
