The Story:

I just realised that I've screwed five of the girls currently on the New Stars site: Janine, Melissa, Sara, Vivienne and Bianca. They are actually all great but Janine is the best I think - a real diamond. Very pretty and an unbeatable body made for sex. She is also very sweet, funny with great personality and pretty sexy eyes too.

I walked in to be greeted by Janine with tiny hotpants and heels and a red bra. I was getting hard as she asked me what I wanted. I said I wanted her to suck me in front of the mirror while I watched. Within a minute she was noshing down on me - bliss. I undid her bra as she sucked and slid my hand down the back of her hot pants and slid them down her thighs. Then on to the bed for a truly awesome session. The cowgirl was magic - thrusting deep into her and feeling my balls tight against her gorgeous firm arse as I got in as deep as I could and playing with those amazing firm tits.

The doggie was positively joyous - me taking her from behind, one foot on the floor and one on the bed and taking hold of her awesome body as I watched my rock hard cock slide in and out of her magnificent rear in the mirror. When I was ready she span around and we French kissed as I unloaded all over her beautiful tits. I was on a high for hours afterwards!!
