The Premises:

Bonnie's place is in a nice quite estate in MK lots of parking in the area but took her advice on the best place to park,nice house ,very clean and tidy with nice decor and a nice clean comfy bedroom to enjoy her company,I used her very nice shower when I arrived.

The Lady:

Just as reported by everyone else ,small but perfectly formed,everything in proportion ,pretty with eyes that sparkle and a wicked smile ,lovely smooth skin and she smells as sweet as a rose.

The Story:

Bonnie likes sex and it shows. We started off with the famous "polynesian pussy massage" this is a massage where she does not use her hands or feet! enough said except to say it was just incredible,when I was fully relaxed we moved onto "other things" her BJ is just amazing ,she then introduced me to her boy friend "Angus" now he is an industrial size mains powered vibrator (AKA magic wand)so we had a threesome with Angus and as Angus is not a dildo type I took care of her tight little pussy and he took care of her clit and a very good time was had by all.Bonnie is inventive, agile and a really lovely lady who cares about your enjoyment.Treat her with kindness and respect ,be fresh and clean and you will be more than rewarded.
