The Premises:

Paddington, bit dirty and messy. Noisy Neighbours

The Lady:

Not like her photos, face were 75% accurate, Arse was accurate but tits were at least 4 years old, looked really dry and saggy.

Otherwise petite and shoulder length black hair, nicely shaven legs

The Story:

Not a good punt!

Lots of time had to stop and answer text messages, its like watching a show with 30+ commercials, very unprofessional. She often had to leave the room because her neighbour was cooking next door (What the F@@k?)

OWO was okay, DFK (mouth was smelly though). Multiple positions in a dark room with mechanical noise and didn't even fake an orgasm.

Lastly, when there was about 15 minutes left, a guy next door suddenly rushed in the door without knocking just to hurry things up.(I though u only had that kind of treatment in Soho)

All in all, very disappointing punt, I was trying not to share this experience but I thought I am obligated to report this to warn other fellow punters.

You could see her faces in at least 12 other agencies.
This lady had put me off latino ladies for the rest of my life.

Nothing wrong with this agency, they did recommend me someone else, but silly old me i was fooled by those photos.

There was a previous comment about someone wanted to go 69 with this lady, well good luck wit that, its really fishy down there.
