The Premises:

Nice flat just off Kensington High Street.

The Lady:

As per the pictures. She is cute, witty, funny and despite being from Ukraine, she speaks excellent English.

The Story:

This lady was all about service and just kept asking what I wanted to do -- so much so, that sometimes it felt like the business transaction which, of course, it is. Some ladies have a knack for making it feel so natural....Kira was not quite there.

However, this was the most satisfying punt of my current tour and the only lady I would go back to see again.

Great kisser, great BBBJ and great sex with a new position for me, a variation of the Lap Dance.

Finished with CIM, but no facial allowed. She offloaded in the bathroom and returned for a chat a cuddle and I gave her a massage.

A lovely lady whose company I really enjoyed. Under different circumstances, a lady I would have invited out for coffee/dinner.
