The Premises:

She was working in a hotel near Gloucester Road tube station. Hotel was fine & felt pretty relaxed.

The Lady:

Slim & very pretty Chinese girl. About 5'6 tall with light brown hair. Small boobs but nice responsive nipples. In her late twenties. Nice curvy body with discreet tattoos.

The Story:

Ushered me into her room with a radiant smile & looked very sexy in short black skirt with fishnet stockings & a very revealing top.

She was very welcoming & has a lovely warm & bubbly personality. She made me tea & gave me time to relax before the session began. She explained that she was quite new to escorting in U.K. & apologised for a slight misunderstanding we had on the phone earlier. I told her not to worry & she was a lovely girl.

Handed over the cash having opted for OWO, CIM, massage & GFE. She apologised for the single bed but I did not mind as it was more cosy. Anyway I'm not a gymnast! We kissed & it was lovely with her obviously enjoying it as much as me. Some lovely body to body massage followed by more DFK & me going down on one of the sweetest pussies I have tasted. She was quite sensitive & obviously enjoyed my attentions.

She then sucked me off beautifully & took nearly all I had to offer in her mouth & then discreetly went to the bathroom and deposited it.

Jennifer is a very genuine & lovely girl. She is so natural & sexy without really having to try too hard. There was never any rush & we had a really nice chat before I left. Please treat her gently & with respect & the rewards will quickly follow. Can't wait to see her again.
