### The Lady:

About 40. Blonde dreadlocks. Tanned. Excellent tits. Belly.

### The Story:

Bit of a rubbish visit to be honest. The Club used to be a lot better.

Wendy answered the door. I kind of handed over the money before I realised she was the only one on. Was not offered anyone else.

Nice enough lady but not really sexy or sexual. Basic rub down, good covered blow job, starfish sex.

She seemed like a nice older woman but not suited to the massage parlour scene.

In fairness this was a bank holiday so little choice on offer.

I only punt in the UK once or twice a year now when the mood takes me and The Club has in the past been one of the best in Bristol. The quality of ladies hasn't been great in my last few visits though.

Shame because it is a nice place. I am going to give a not recommended vote but I would still recommend the Club generally, and this lady did seem a nice person. Just this visit wasn't good for me...but the unknown part is half the fun of punting!
