The Story:

It was Hannah's first day, and there was another girl on, Emma, but she seemed a bit pushy for my liking. We went up to one of the rooms and I was immediately put at ease. Fabulous massage, Hannah has a really gentle, but firm touch if you know what i mean. Then there was lots of sensual kissing, caressing, etc. Hannah kissed her way down to my cock and then what followed was one of the best blow jobs i've ever had. Had sex missionary then doggy. Afterwards, it was very relaxed, didnt feel as though i was being pushed out the door which can sometimes happen in these kind of places. If you are looking for the girlfriend experience, then Hannah is the girl for you. Will definitely be back to see her, but not sure when she will be working again?
