The Premises:

Nice flat In a block near Watford Met station.

The Lady:

Keira is a well known English Pornstar, 5'8" tall, 36"D enhanced, size 10, dark hair, tanned, and very sexy.

The Story:

I had seen Keira at a couple of parties In London before. And had a great time. So noticed she was available In Watford, was a bit of a spur of the moment punt. Was asked to call once I was near the tube station. K met me In the car park, and showed me up to the flat, as always very chatty and warm lady.

We got straight down to It, stripped off lots of DFK and K reminded me how good her OWO was, I enjoyed letting her lick my balls and was soon very hard. After about 10 minutes or so on with condom, and cowgirl, K Is very vocal and likes to talk dirty, changed to doggy position, and then to Mish. It was a hot day and I had worked up a bit of a sweat, so lay back, off with the rubber, and K sucked me off, and soon had me cumming In her mouth, which was nice.

Totally recommend Keira, VFM for a well known porn star, who Is as fithy as In her movies, but friendly and good fun too.
