The Premises:

New block next to Hilton at Paddington. Well used by many WG's. Safe.

The Lady:

Disappointing to say the least. Russian girl. She was probably not 5'11 as described - maybe 5'8 or 5'9 with no shoes on. Fairly big boned girl but not fat - Photos massively air-brushed - maybe more so than I have ever seen. Photos make her look attractive - she really isn't. So much so that I was contemplating walking out - but you know how it is.

The Story:

She was a nice enough girl - quite friendly - good English - but that was really her best quality. Started off and she made it obvious that no kissing would be allowed - not that I was too bothered about that anyway - given her average looks. Went downhill from there - after 5 mins of average BBBJ she said "are you ready?" I said "no". 5 more minutes of average BJ continued then I suggested 69 - thought it might work for me. She says "sure why not" then makes a feeble attempt at it and before even starting - says its too difficult as she is too tall. Bear in mind she is around 5'9 and so am I - she was talking nonsense of course - i have been with other girls taller and even though it does not always work out a perfect fit - its still easy for both people to enjoy. I suggested trying 69 with me on top - she agrees and then once again before we'd even tried, she says "no it won't work".

So after that - I'd had enough - I just said I was ready for condom - quick shag - quick chat and left after 40 mins.

As I said - nice girl - she probably shouldn't be doing this - her heart is not in it and she's not a good actress either. Her photos are very misleading too - she is very very average looking.

Agency is usually very consistent with their girls - last one was Melonie who was a knock-out, gorgeous and a brilliant service and lovely girl. and ?50 cheaper.

Total waste of 200 big ones
