The Lady:

Oh my god what a woman, Eve is a fantasy brought to life, and she was so much more than I had hoped for from her pictures. She is simply sex on legs, with an outrageously desirable body...

The Story:

Eve has this uncanny ability to put you right at ease and she seemed to instinctively know what I wanted and how I wanted it. Not to go into too much detail, this is a woman who genuinely enjoys making sure you get what you came for and has no inhibitions. She is simply one of the best I have seen and I cannot wait to see her again soooooon.

Treat her well chaps but you need to see her to really believe her.
