The Premises:

Discreet and safe flat not far from Chester Station. Plenty of safe parking. Flat is clean, tidy and very comfortable.

The Lady:

To quote her site Cassie's ethnic heritage is Chinese, but she is Scottish, born and bred. She is full bodied, with her hair cut in a short bob. In my humble opinion she's as cute as a button

The Story:

This was my third visit to Cassie and I've only just got off my lazy ass to write a well deserved FR. Cassie welcomed me with a hug and loving kiss. We sat on the couch in her lounge for a drink and a chat. This rapidly led to a quick grope session during which I gave her the first knee trembler of the afternoon. Did I mention that Cassie is multiorgasmic? - she comes like a train. We moved into the bedroom and I was delighted to find, on closer inspection, that her lady bits were thoroughly wet and ready for attention. There followed over two hours of exceedingly fine fun and games. Cassie is great company with a great sense of humour. Expect plenty of hugs and sweet kisses. This lady is a gem.
