### The Premises:

Flat in a newish block behind Paddington Station. Hard to find because the roads are new and not in all the Maps. Flat was nice and clean, but like most new developments, rooms are small.

### The Lady:

As per pictures. She is pretty and friendly.

### The Story:

I was shocked when she opened the door -- she was much taller than the 5'7 mentioned on the website and she towered over me. However, once we got to the bedroom she removed her 6 inch heels with 2 inch platform soles and returned to her 5'7 height. From EE - English is limited but good enough. I was offered a shower and when I got to the bedroom we started with some kissing and fondling before I sat on the bed and she knelt before me. She was happy to FK, though not DFK, gave an absolutely great bbbj, very wet, no hands, and took it to the hilt! We tried a few positions and she was happy with all of them. No problem with finger-play in either hole, although she did say she did not enjoy A, so I did not attempt it.

What I remember most about this punt was asking her, halfway through the punt, if I could CIM.

"Ok, but only a little bit" she replied!! For the rest of the punt I kept wondering how I was going to CIM "a little bit", especially as I had been saving it up for about ten days, so the guns were fully loaded !! Anyway, when the money shot arrived, she took it all like a trooper, but ran off to the toilet very quickly with some of it dripping onto the floor along the way ! Classic.

She came back with a smile on her face, so all was forgiven. She lay next to me and we chatted for a while. Round 2 probably on offer, but I did not try it. She was part GFE and part PSE. My best punts have been either full-on GFE or full-on PSE, so I left happy but not overwhelmed. Would certainly recommend, but would probably not return as there are too many nice ladies around at the moment.
