The Story:

These parties are superb and everyone enjoys them, however at the 1pm party yesterday we had a bit of a "no-go zone" in one room where Helena and another ?? Eastern European girl were. At the start they both rushed down there to claim the room and unless they wanted to Party, you had no chance. They would just walk out leaving the other one and "again" it was a no go zone. Would I again, Yes of course, but Moss was not there so this is my way of giving the info.

Service Provider's Rebuttal

I am aware of the incident involving the two girls you refer to. In fairness to Helena, she was not one the girls involved; rather it was Olivia and Simona .They are both relatively new to parties and I have spoken to them to ensure it will not happen again. Whilst you are correct in saying Moss was not there to speak to, I was there for the whole party and you could have approached me at any stage.

On a point of accuracy, rather than the 6 girls you claim in the report, there were actually 8 girls partying Wednesday 6th at 1pm.

As the bookings were brisk in the morning, as a treat for the guys and because of the inexperience the 2 girls as mentioned above I called in Jennifer to join the 7 girls advertised who were CHARLOTTE, CLARA, HELENA, JODI, MONIQUE, OLIVIA, SIMONA so you guys would not miss out on the fun and get a little extra treat.
